

"Packing Blankets" by Eels

C F C F

Today is a lovely day to run

C F G

Start up the car with the sun

F Em

Packing blankets and dirty sheets

F Em

A roomful of dust and a broom to sweep up

F Am G

All the troubles you and i have seen

C F C F

Cross when the drawbridge light is green

C F G

Don't look back to that messed-up scene

F Em

Packing blankets and dirty sheets

F Em

A roomful of dust and a broom to sweep up

F Am G

All the troubles you and i have seen

F C

And all our troubles will be gone

F C

Blowing out over that bridge

Em Am

Floating up into the sky

F G C

Making the storm clouds cry

F C

La la la la la

F C

La la la la la

F G

La la la la la

C F C F

Put out that smoke and breathe some air

C F G

Get a new name and cut your hair

F Em

Packing blankets and dirty sheets

F Em

A roomful of dust and a broom to sweep up

F Am G

All the troubles you and i have seen

Here is a link to someone playing that song on a uke:
